Southampton is a commercial centre and university city on the south coast, and is internationally famous for sailing, cruise ships and the Titanic. It is one of the greenest cities in England, has a Premier League football team and, with a population of 250,000, is neither too big nor too small. Southampton is also the hometown of the Lewis School. Our centre benefits from facilities of a high standard and is conveniently located just 2 minutes from the main shopping area and bus stops. Please note: the centre will be based at the Lewis School of English from 25 June to 1 July, and at Southampton Solent University from 1 July. Residential accommodation is available from 1 July.
