### Football + English programme

In the football training camp, you can train like the professionals and learn all the techniques and tactics of football, alongside camp mates of all nationalities in a healthy environment.

The Football + English programme consists of 15 hours of training per week combined with 15 hours of English weekly so that the youngsters have fun playing football at the same time as studying English Language. The camp is held at the City of Glasgow College campus which is situated in Glasgow city centre.

The students will also benefit from weekly presentations about health, nutrition and fitness, being a footballer in a foreign country and the importance of English by qualified football professionals.

There is also the opportunity to play football matches against local teams and tour the famous Celtic Park.

### The Coaches

The coaching takes place at Celtic FC's Barrowfield training ground. Coaching sessions will be delivered by Celtic FC Academy coaching staff. The coaches and assistants are accredited and qualified to work as coaches by UEFA and all have extensive experience as football coaches to children and teenagers in a multicultural training environment.
